

QUESTIONS

ANSWERS

DELAYED / ABSENT DELIVERY

**I SAW YOU (VISIBLY / TRACKING)
ARRIVE HERE AND THEN LEFT WITHOUT
LEAVING PACKAGE(S); WHY?**

REASON A : PACKAGE(S) IN-ACCESSIBLE

DRIVERS DO NOT HAVE THE SAME AMOUNT OF PACKAGES IN THE VAN EVERY DAY. SOME DAYS (AND/OR DURING " PEAK SEASONS ") FEDEX PUTS ABOVE THE MAXIMUM CAPACITY FOR PACKAGES ON THE VAN IN TERMS OF WALKABLE SPACE THROUGHOUT THE VAN. AS A RESULT, THE DRIVER CANNOT PHYSICALLY REACH AND/OR FIND YOUR PACKAGE(S); THEREFORE, THEY WILL RETURN TO YOUR ADDRESS AT A LATER TIME WHEN YOUR PACKAGE(S) CAN BE ACCESSIBLE.

REASON B : PACKAGE(S) NOT PRESENT

SOMETIMES WHEN A DRIVER GETS TO AN ADDRESS AND SEARCHES THE VAN BUT CANNOT FIND THE PACKAGE(S), IT'S BECAUSE IT/THEY WERE NOT LOADED ON THE VAN. CONTACT DRIVER (IF POSSIBLE) / FEDEX / SHIPPER FOR MORE INFORMATION.

REASON A : CONDITIONAL URGENCY

EACH TERRITORY DRIVERS COVER HAVE DIFFERENT AMOUNTS OF DELIVERIES AND HAVE A RANGE OF DIFFERENT RESIDENTIAL AND/OR BUSINESS LOCATIONS. SOME DELIVERY ROUTES HAVE MORE BUSINESS THAN RESIDENTIAL CUSTOMERS, AND FOR EXAMPLE, A BUSINESS COULD BE ON THE SAME STREET AS A HOUSING AREA. IN THAT CASE, A DRIVER COULD GIVE THE BUSINESS PRIORITY OVER A RESIDENTIAL ADDRESS AND DRIVE PAST IT TO DELIVER TO THE BUSINESS FIRST, AS THAT BUSINESS HAS A CERTAIN TIME WINDOW BEFORE IT CLOSES WHICH THE DRIVER NEEDS TO BE WITHIN. ALSO, FOR EXAMPLE, THE DRIVER COULD DRIVE PAST A BUSINESS TO DELIVER TO A HOUSE FIRST, AS THAT CUSTOMER IS SCHEDULED TO HAVE PACKAGE(S) PICKED UP WITH A WINDOW OF TIME THE DRIVER NEEDS TO BE WITHIN.

REASON B : PARKING

WHEN THE DRIVER COMES TO AN ADDRESS AND SEES THERE IS NO SPOT TO PARK OR A " REASONABLE " PLACE TO PARK WITHOUT OBSTRUCTING OR IMPEDING TRAFFIC. THIS COULD BE DUE TO UN-SCHEDULED CIRCUMSTANCES RANGING FROM NEW CONSTRUCTION WORK TO A BLOCK PARTY. IF A DRIVER HAS BEEN COVERING THE SAME ROUTE LONG ENOUGH, THEY REMEMBER CERTAIN CONDITIONS THAT HAPPEN DURING CERTAIN PARTS OF THE DAY FOR THAT AREA. SOME EXAMPLES WOULD BE A BUSY BUSINESS WITH LESS OR NO PARKING DURING CERTAIN HOURS OF THE DAY OR AN APARTMENT COMPLEX WITH FEW OR NO SPOTS LATER IN THE DAY AS MOST OF ITS RESIDENTS ARE HOME FROM WORK. WHETHER PLANNED OR UN-PLANNED, THE DRIVER WILL RETURN AT A "BETTER" TIME.

REASON C : PACKAGE(S) IN-ACCESSIBLE / NOT PRESENT

SAME AS WITH THE DRIVER NOT BEING ABLE TO GRAB YOUR PACKAGE(S) OR NOT SEEING IT/THEM ON THE VAN. THE DIFFERENCE IS THE DRIVER KNOWS THIS BEFORE GETTING TO THE ADDRESS, INSTEAD OF FINDING OUT AFTER STOPPING AT THE ADDRESS.

PACKAGE(S) NOT PRESENT

SAME AS ABOVE, BUT THE DIFFERENCE IS THAT YOU DID NOT PHYSICALLY SEE THE DRIVER.

DELIVERY INSTRUCTIONS

**WHY DID YOU FOLLOW ONLY SOME OR
NO DELIVERY INSTRUCTIONS AT ALL?**

REASON A : CUT OFF SCANNER SCREEN

BUSINESS EXAMPLE : " DELIVER TO RECEIVING DOCK ON EAST SI "

EACH DELIVERY ADDRESS ON THE DRIVER'S HANDHELD SCANNER HAS A SECTION FOR NOTES. IT COULD BE EMPTY IF A CUSTOMER HAS NOT GIVEN FEDEX ANY REQUESTS FOR THE DRIVERS. IF THERE ARE INSTRUCTIONS FOR THE DELIVERY, SOME SCANNERS ARE LIMITED TO ONLY SHOW 36 CHARACTERS (LETTERS / DIGITS / SPECIAL CHARACTERS / ETC.) ON THE SCREEN, INCLUDING SPACING WHEN TYPING THE MESSAGE. AS A RESULT, INSTRUCTIONS LONGER THAN THE SCANNER'S LIMIT TO DISPLAY ARE CUT OFF SO THE DRIVER CANNOT SEE THE WHOLE REQUEST AND ONLY A PART OF IT.

REASON B : POSSIBLY OUTDATED

RESIDENTIAL EXAMPLE : " APARTMENT MAIN ENTRANCE DOOR CODE 2468 "

CODE HAS BEEN CHANGED AS IT DOES NOT WORK WHEN THE DRIVER ENTERS IT INTO THE KEYPAD / TOUCHSCREEN.

REASON C : UN-CLEAR

RESIDENTIAL EXAMPLE : " PUT PACKAGES BEHIND SIDE GATE "

WHAT IF THERE IS A GATE ON BOTH SIDES OF THE HOUSE ?
